

210490
MC 25
MS connecting cable RS485

- Flexible lead design
- Good stripping properties
- Shielded

Function

Technical data (typ.)

+20°C, 24 V DC

Mechanical features

Length 25,000 mm

General features

Operating principle	Connecting cable RS485
Design	flying leads
Characteristics	Shielded
Application	Connection of MS-CTx interface modules
Design	Serial RS485 cable

Electrical connection

Connection	flying leads, 5-pin (flying leads)
Connection 2	5-pin (flying leads)
