

## 212746 CS12D20 Connection cable

- Sturdy metal union nut
- Flexible lead design
- Good stripping properties
- High protection type

### Function

### Technical data (typ.)

+20°C, 24 V DC

#### Mechanical features

|          |             |
|----------|-------------|
| Length   | 20,000 mm   |
| Thread   | M12         |
| Material | PVC (Cable) |

#### General features

|                     |                           |
|---------------------|---------------------------|
| Operating principle | Connection cable          |
| Design              | Straight / open cable end |
| Characteristics     | Metal nut                 |
| To be used for      | Receiver SLM4             |

#### Ambient conditions

|                 |       |
|-----------------|-------|
| Protection type | IP 67 |
|-----------------|-------|

#### Electrical connection

|            |                                    |
|------------|------------------------------------|
| Connection | Socket, M12, 12-pin (flying leads) |
|------------|------------------------------------|
