

## 213324 HS-AG-HM-KF-VS Ball housing

- Robust, highly flexible
- Exact and simple fixing
- Quick and easy mounting

### Technical data (typ.)

#### Mechanical features

|                    |             |
|--------------------|-------------|
| Housing dimensions | 35 x 25 mm  |
| Load capacity      | 60 N / 6 kg |
| Housing material   | Aluminum    |

#### General features

|                |                                                         |
|----------------|---------------------------------------------------------|
| Component      | Ball housing                                            |
| To be used for | Mounting system Z-UBT-KU-MS, Product holder Z-UBT-KU-PH |
| Product series | Z-UBT-KU-PH Product bracket                             |

#### Functional scope

|                   |                               |
|-------------------|-------------------------------|
| Scope of delivery | Ball housing, Fixing material |
|-------------------|-------------------------------|
